The crowd on hand were most appreciative of the efforts from all students from across the two high schools and four primary schools that make up our Community of Schools.

CHOIR

Gillwinga’s Jacaranda commitments are not quite finished. On Tuesday 12th of November our choir will put on performances at two of the local nursing homes. The managers of both institutions were extremely pleased that our students were coming to entertain the residents and it is extremely good publicity for the school.

SAFETY BEFORE AND AFTER SCHOOL

I understand that some parents ask their children to meet them at the corner of Bent and Hyde Streets of an afternoon as it is often very difficult to find parking in front of Gillwinga or on the opposite side of the road. If children do need to cross the road to get to a car please ensure that they use the crossing provided.

EXCURSIONS

With a number of excursions and other events coming up soon it is important that those students who are participating in these events have paid the required money to the front office before the scheduled excursion. Kindergarten and stage one students will attend the butterfly house just south of Gillwinga's Jacaranda commitments are not quite finished.
