FOOTY COLOURS DAY

This Friday, 15th August will be a footy colours day. All students are encouraged to wear the colours of their favourite footy team and bring in a gold coin donation. As part of the day the school leaders will be organising and running activities for each class to be involved in. Every student that supports the day with a gold coin donation will go into the draw for a chance to win a number of prizes. This should be a fun day for all involved and a great way to kick start the year six fundraising for the end of year gift.

RUGBY LEAGUE GALA DAY

Congratulations to all those boys who were part of the combined Small Schools Rugby League Team that participated in the recent gala day. The team performed extremely well posting three wins and one loss, which has put them into the final against South Grafton Public School. We are currently waiting to be advised of the date for the final. This information will be passed on as soon as it comes to hand. It would be great to see as many people as possible come along and show their support.
